Subject: Follow-up: Kickoff meeting on mouse lung tumor workshop

To all,

In order to keep the momentum going following our initial meeting on June 13th, I thought it would be beneficial to provide a brief summary of the discussion and decisions from this meeting, as well as a quick update on what has transpired or been learned since the meeting. Please feel free to comment on anything that I may have captured incorrectly or incompletely. I also added a cc: on this message to Vince Cogliano and Karen Hammerstrom as they have not been involved in these discussions yet, but should probably be brought up to speed.
